*If there are any changes to your current credit or debit card information (such as expiration date or new number) for the 2019-2020 school year please contact CYM's billing department at 724-935-0505 or [kschnatterly@youngmusicians.org](mailto:kschnatterly@youngmusicians.org) so that your tuition can be processed without delay.*

**Registration:** The \$50 registration fee is waived for current students if this form is signed and returned by May 30. All forms received after that date will be subject to the fee. All annual and August monthly installment payments are due August 1. Late payment will result in forfeiture of the reserved lesson time and subject to a \$50 reinstatement fee.

**Enrollment:** CYM's students receive 45 weeks of instruction each year. The school year features many performance and enrichment opportunities which are included in the annual tuition and subsidized by the Workshop and Activities program fee. The academic calendar runs from September to July, with August set aside for finalizing make-up lessons or adding additional summer session lessons if desired. Should a student need to miss a lesson, they may contact their instructor directly to make arrangements for a make-up lesson. They are offered as many make-up lessons with their current teacher, or any other authorized CYM faculty member, as can be made available to them. Make-up lessons do not carry from one academic year to the next.

**Annual Commitment Enrollment** Students agree to enroll for the entire 45-week academic year, and should they wish to withdraw, they do so after the completion of the current year. If they do withdraw early, they agree to remit a withdrawal payment that is 50% of the annual tuition outstanding and must notify CYM before the start of the next monthly billing cycle to avoid additional tuition charges. All students are Annual Commitment Enrollments, unless they choose to register for *individual packages*.

***If the Annual Commitment does not fit your schedule, you may instead opt for individual packages purchased through the CYM website. Simply follow the same steps each time as if you were registering for a trial.***

**CYM WORKSHOP AND ACTIVITY PROGRAM 2019-2020** CYM will assess a one-time charge of \$55 each year to allow for continued access to CYM workshops, recitals, activities, musical field trips as well as reduced price tickets to many of Pittsburgh's cultural events. For first year students newly enrolling with us this fee is waived.

**CYM's billing cycle** includes 12 equal monthly payments from August - July of each calendar year. Families enrolled by August 1 can choose to pay tuition in one lump sum. *Please note that CYM's school year comprises 45 weeks of instruction processed over 12 tuition billing cycles.* CYM does not mail out monthly invoices. A \$25 fee is charged to all late payments.

Each monthly billing cycle amount reflects 1/12 of the **annual tuition** of each program. This amount is not reflective of the scheduling and instructional fluctuations of each month, but instead, represents a lump sum amount spread over the calendar year.

This form authorizes CYM to bill your provided method of payment with your tuition amount for the current academic year.
